- Always watch out for cars!

Parent Drop Off Guidelines:

- Please drive north on Calkins Ave. and enter the alley to drop students off in the drop off zone, that is the SAFEST place. Then exit onto S. Boulevard (right turn only during drop-off and pick-up).
- Older students can be dropped off along Calkins and then they walk across the field to their lines.
- Please REFRAIN FROM dropping students off on 16th Street, it is very busy and unsafe during drop off and pickup.
