

## **Welcome back to another exciting school year at Skyline High School!**

We hope this letter finds you well and filled with anticipation for the year ahead. It brings us immense joy to reconnect with our returning families and extend a warm welcome to those who are new to our Skyline Ohana. As we embark on this new academic journey, I want to express my gratitude for your ongoing support and partnership. Your commitment to your child's education and development truly makes a difference in the success of our school. Together, we create an environment that fosters growth, curiosity, and the pursuit of excellence. Our dedicated staff has worked tirelessly to ensure that your children continue to receive a high-quality education.

For the upcoming school year, we are thrilled to share that we have implemented several enhancements to our building to increase the safety factor. You may have noticed the new section being built in our office. We have created a vestibule in the entryway so that all visitors to Skyline must enter through the office and then be allowed to access the school building. All other doors will be locked. This will help us know exactly who is in our building at all times and improve the overall safety of SHS. .

Our school calendar is filled with exciting events, including academic competitions, athletic events, artistic showcases, and community service opportunities. We encourage you to stay engaged in your child's education by attending Back to School Night (Aug. 28th from 6:00 - 7:30 pm), parent-teacher conferences, joining our Booster Club, and participating in our various school events. Open communication is essential to our success as a school community. We share most of our information on the Parent Info. Center. Click the link below to be directed to it and you can see some important dates etc. Please feel free to reach out to us with any questions, concerns, or suggestions you may have. We value your input as we work together to provide the best possible education for our students.

I want to reiterate how thrilled we are to have you as part of the Skyline High School Ohana. Your partnership is the cornerstone of our success, and we look forward to a year filled with growth, achievement, and memorable moments. Here's to a fantastic school year ahead! And As Always GO GRIZZ!

Warmest Regards,

Mr. Joshua Newell
