D91 Patrons Will Go To The Polls On March 14 To Vote On Renewal of The District's Supplemental Levy

The Idaho Falls Board of Trustees is asking parents and patrons to go to the polls on March 14, 2023, to vote on renewal of the district's Supplemental Levy, which generates \$6.8 million a year in critical funding.

D91's supplemental levy is not new. In fact, the district has relied on a supplemental levy for more than 30 years, and, despite today's rising costs and high inflation, the amount of D91's supplemental levy has not changed since 2003.

The two-year levy generates funding to support safety and security in D91's schools in the form of school resource officers, guidance and health counselors, psychologists, school nurses and health technologists. It also supports extracurricular activities such as debate, choir, drama, band, orchestra and sports. The bulk of the money, about \$5.43 million a year, goes to salaries and benefits for teachers and staff.

"The supplemental levy has played a vital role in Idaho Falls School District 91's efforts to keep students safe and to provide them with the very best education and opportunities, and it's just as important today as it was 30 years ago," said D91 Superintendent Jim Shank.

Voters go to the polls every two years to vote on renewal of the supplemental levy. This year's election will be on March 14, 2023. Polls will be open from 8 am to 8 pm. Voters will vote where they vote in any regular election. For more information on early voting, election poll locations and more, visit the Bonneville County Elections Office website at:

<https://www.bonnevillecountyidaho.gov/county-departments/elections> or call (208) 529-1363.
