April: Complete Senior Survey. Look for the email that will be sent out at the end of March. This will include college information and a picture that will be included in the graduation slide show.

April-May: Fill out and return Final Transcript Request to Counseling Center. You will not be allowed to register for Second Semester classes at college if they don't have a Final Transcript (one that shows all grades and graduation date).

May: All grades from correspondence, dual enrollment, exams, or any other outside source must be submitted (Publication of program and grad list). All Independent Study courses and other correspondence classes must be completed.

May 23: The Awards Assembly will be on the evening of May 23rd. Plan now to have that day off work so you will be able to attend this final celebration event.
